Navarre Minerals to make share placement

Navarre Minerals (ASX:NML) has been granted a trading halt by the ASX pending details of a placement of shares to sophisticated or professional investors.

The company recently commences drilling at the Stawell Corridor Gold Project, located in Victoria.

The program will cover up to 2000 metres of combined reverse circulation and diamond drilling planned in 10 - 15 holes.

Results are expected in May - June.

The halt will remain in place until the opening of trade on Monday 27th April 2015, or earlier if an announcement is made to the market.
