

29 August 2016

Dear Shareholder

Non-Renounceable 2-for-5 Entitlement Offer (with free attaching options)

Please note the Offer Closing Date of Friday 16 September 2016.

On 25 August 2016, Navarre Minerals Limited (**Navarre or the Company**) announced that it will be offering eligible shareholders the opportunity to acquire new fully paid ordinary shares in the capital of Navarre (**New Shares**) via a non-renounceable entitlement issue on the basis of two (2) New Shares for every five (5) shares held by shareholders registered at 7.00pm (AEST) on 31 August 2016 (**Record Date**) at an issue price of 2.9 cents per New Share, together with one (1) free attaching unlisted options (exercisable at 5 cents on or before 31 March 2018) for every two (2) New Shares subscribed for and issued (**New Options**) to raise approximately \$1.14 million before costs (**Offer**). The Offer is fully underwritten by Patersons Securities Limited, which is also the lead manager to the Offer. For information relating to the fees payable to Patersons as lead manager and underwriter, please refer to the Company's Prospectus relating to the Offer (details below).

Navarre has recently been awarded a grant of up to \$626,000 under the Victorian Government's TARGET Minerals Exploration Initiative to co-fund exploration at Navarre's Irvine and Benno gold prospects (see ASX announcement on 28 June 2016). Together with the proceeds of a private placement to sophisticated and professional investors that was also announced on 25 August 2016, the proceeds from the Offer will be used to fund Navarre's share of the estimated \$1.2 million cost of its proposed exploration program for the Irvine and Benno gold prospects, comprising geophysics, aircore and diamond drilling, and to meet the expenses of the Offer and provide additional working capital for the Company.

The placement to sophisticated and professional investors is expected to raise approximately \$285,000 before costs through the issue of 9,830,000 New Shares at an issue price of 2.9 cents per New Shares, together with one (1) free New Option for every two (2) New Shares issued (**Placement**).

Eligible Shareholders

The Offer is being extended to shareholders of the Company who meet all of the following criteria (**Eligible Shareholders**):

- are registered as a holder of Shares at 7.00pm (Melbourne time) on the Record Date of 31 August 2016;
- have a registered address in Australia or New Zealand;
- are not in the United States or a U.S. Person or acting for the account or benefit of such persons; and
- are eligible under all applicable securities laws to receive an offer under the Offer.

Prospectus

The Offer is being made under a prospectus in accordance with section 713 of the Corporations Act 2001 (Cth) (**Prospectus**).

This letter is not an offer document but rather an advance notice of some key terms and conditions of the Offer. Full details of the Offer are set out in the Prospectus.

Eligible Shareholders will be sent a Prospectus, together with a personalised Entitlement and Acceptance Form, on or about 2 September 2016. Those documents will contain important information about the Offer and the number of New Shares that each Eligible Shareholder is entitled to subscribe for under the Offer. A copy of the Prospectus has been lodged with ASX and is available from the ASX website (www.asx.com.au) and the Navarre website (www.navarre.com.au).

Eligible Shareholders should read all of the Prospectus carefully before deciding whether to participate in the Offer. For the purposes of calculating the entitlements of Eligible Shareholders, fractions of entitlements will be rounded up to the nearest whole number of New Shares and New Options.

Action required by Eligible Shareholders

The entitlement of Eligible Shareholders to participate in the Offer will be determined on the Record Date. An Eligible Shareholder's entitlement will be shown on an Entitlement and Acceptance Form which will accompany the Prospectus. Eligible Shareholders may take up their entitlement in full or in part.

If you are an Eligible Shareholder, you may take one of the following actions:

- take up all of your entitlement;
- take up part of your entitlement; or
- do nothing and allow all your entitlement to lapse.

If you wish to take up all or part of your entitlement, you will need to follow the instructions on the Entitlement and Acceptance Form and ensure that your application monies (and your completed Entitlement and Acceptance Form, if you are paying by cheque) are received by no later than 5.00pm (AEST) on the Closing Date of 16 September 2016.

Entitlements under the Offer are non-renounceable, which means that entitlements will not be tradeable on ASX or otherwise transferable.

Ineligible shareholders

Shareholders who are not Eligible Shareholders are ineligible shareholders (**Ineligible Shareholders**). Pursuant to ASX Listing Rule 7.7.1(a), the Company has determined that it would be unreasonable to extend the Offer to shareholders with a registered address outside Australia or New Zealand having regard to:

- the small number of Ineligible Shareholders as a proportion of the total shareholders of the Company;
- the number and value of the New Shares and New Options that would be offered to Ineligible Shareholders if they were eligible to participate in the Offer; and
- the cost to the Company of complying with applicable legal and regulatory requirements in jurisdictions outside of Australia and New Zealand.

Ineligible Shareholders are not eligible to participate in the Offer and will not be sent a copy of the Prospectus.
